PROJECTS

FLEXOR

HTML | css | Netlify

This is responsive based UI.

TODO

React | Redux

This is a basic Todo app, user can add todo remove todo.

NETFLIX

React | React Router | Vercel

It is a Netflix app, where user can Signin, Although my web app looks and feels like Netflix, it functions differently. Since I can't create a database with full movies of every title, I decided to play movies from YouTube.

SHOPPING APP

React | Redux | Vercel

This is a shopping cart app, where user can add and remove items as user wish, users can also select size as users wish.
